

Looking for more visibility at BIO? Sponsor The Primer!

We are proud to present the **Third Annual Pre-BIO Lacerta Bio Primer Reception** at The Field (544 5th Ave, San Diego) on Sunday, June 7, from 6-8 pm.

Over 200 attendees will be there, including many attendees who will not register for BIO.

This is a great opportunity to meet and greet BIO attendees and present your services in a casual, Irish pub atmosphere.

The food and cheer will be flowing, as will the conversation and laughter...this is much more fun and effective than sitting in a dark booth in the exhibition hall for four days...

At the **Silver Sponsorship** Level, you get:

- ▶ You company logo and Link in our event promotional materials: newsletter, LinkedIn, Twitter, and the event registration page
- ▶ Banner and video placement at event
- ▶ Distribution of marketing materials at event

At the **Gold Sponsorship** Level, you get the Silver Package, plus:
